Subject: Freedom of Information Act Request

Dear FOIA officer:

Pursuant to the regulations established under the Freedom of Information Act, 5 U.S.C. § 552, et seq., WSP USA respectfully requests the opportunity to review copies of any files with respect to the GE FANUC Automation facility (EPA Identification no. VAD980551782), located at 2500 Austin Drive, in Charlottesville, Virginia.

WSP requests the opportunity to review all documents pertaining to the **Administrative Record** for the facility, and documents associated with the facility's participation in EPA Region 3's **Facility Lead Agreement** (November 4, 2004).

WSP is interested in the following:

- groundwater wells or septic systems
- water sampling results
- storm water permits and related correspondence
- air permits and related correspondence
- air pollution incidents
- air sampling results
- radon
- solid and hazardous waste
- complaints or incident reports
- releases of hazardous materials or petroleum products
- environmental violations and corrective actions
- aboveground and underground storage tanks
- site investigation or remediation activities

Please contact me at 703.318.3942 or laura.barsauskas@wsp.com if there are any files available for review. We understand that search and reproduction fees established pursuant to 40 CFR § 2.120, may apply. Thank you in advance for your assistance.

Kind regards,
